Table 3 - COVID-19 Vaccination Rates

Data updated May 2023

	% with 1+ dose	% with 2 dose series	% change in 3 weeks
6 mo.-4 y/o	1.62%	0.05%	-
5-11 y/o	17.65%	13.20%	-
12-17 y/o	82.52%	64.77%	-

Data provided by the USVI Immunization Program

Table 4 - Pharmacist Authority to Deliver Vaccines Outside of PREP Act

Data updated May 2023

COVID-19: Federal PREP Act allows all pharmacists, pharmacy technicians, and pharmacy interns to administer routine childhood vaccinations and COVID-19 vaccines to all children 3 and older, and the influenza vaccine to those age 19 and older. More info can be found at naspa.us/resource/federal-prep-act-actions/.

	Influenza	COVID-19
With a patient-specific prescription	-	-
Without a prescription	-	-

Vaccination administration is limited to USVI licensed pharmacists approved to administer vaccinations.

Table 5 - School Vaccine Requirements for Kindergarten Enrollment

Data updated May 2023

	DTap	IPV	MMR	Hep A	Hep B	Varicella	PCV	HiB	COVID
Required	✓	✓	✓		✓	✓			

Data taken from Government of the Virgin Islands of the United State/Virgin Islands Department of Health Immunization Program

Table 6 - Vaccine Coverage and Exemption Rates Among Children in Kindergarten

Data updated April 2023

	USVI	Median	National
Kindergarten Population	-	-	3,837,259
Surveyed %	-	-	92.2
2 Doses MMR %	-	92.9	93.5
5 Doses DTaP %	-	92.0	93.1
4 Doses Polio %	-	92.7	93.5
2 Doses VAR %	-	92.6	92.8
Grace Period of Provisional Enrollment %	-	1.9	2.4
Any Exemption %	-	2.7	2.6
Percentage point change in any exemption 2020-2021	-	0.2	0.4

Data taken from CDC MMWR Weekly Report

Per-Dose Vaccine Administration Fee For Medical Providers

Data updated May 2023

This graph represents the range of administration fees across states. Minimum, maximum, and median calculations taken from the 45 states where data was available.

Data taken from USVI Vaccines for Children Provider Manual

Other Details

- Did USVI expand Medicaid?
 - Yes
- Is USVI currently enrolling pharmacies in VFC?
 - No
- Are pharmacies recognized as Medicaid providers?
 - No
- Number of school-based clinics
 - No data
- Universal VFC jurisdiction?
 - No
- Legislative considerations
 - No bans on student COVID-19 vaccine mandates
 - No requirements for student COVID-19 vaccination
 - Minors may not consent to routine medical care, including vaccinations
 - Permits medical, religious, and personal belief exemptions from school-required immunizations
- Logistical considerations
 - No data
- Opportunities
 - School-located vaccination
 - Recruit non-vaccinating providers
