

INTRODUCING POP EN ESPAÑOL!

A new resource to support providers who serve Spanish-speaking patients.

The Power of Providers Initiative helps health care professionals serve as trusted sources of information about COVID-19 vaccines.

**Power of
Providers**

**Become a POP member to
access resources including:**

- The POP Shop for free materials
- Webinars by and for healthcare providers
- Latest updates, discussion guides
- And more!

The Power of Providers initiative is endorsed by our state's top medical organizations. **Learn more and sign up at www.doh.wa.gov/joinpop**

**Scan the QR Codes below
