## 2024 Immunization Champion Award Partner Promotion Language

**Please use the following language to promote the AIM Immunization Champion Award in your newsletters and written communications:**

The [Immunization Champion Award](#) recognizes individuals who are working at the local level and is hosted by the Association of Immunization Managers (AIM). The award honors those doing an exemplary job or going above and beyond to promote or foster immunizations in their communities for children and adults. When nominating and selecting their Champion, immunization programs will base their nominations on meeting one or more of the following criteria: leadership, collaboration, innovation, and/or advocacy. Visit the [AIM website](#) to learn more about the Immunization Champion Award and stay up to date with announcements. If you have any questions, please email [champions@immunizationmanagers.org](mailto:champions@immunizationmanagers.org).
