

# Vaccine Logistics & Action Planning

Our Goal: a better state of health **for all**.

December 7, 2021

## WHO WE ARE

We seek to identify and understand health needs through research and programs and work to create an environment where **every person** has access to their **best health**.

# Stages of Vaccine Clinic Coordination

## Part 1:

Our Mission & Populations

## Part 2:

Vaccinations: Mobile & Annex Locations

## Part 3:

Follow-up

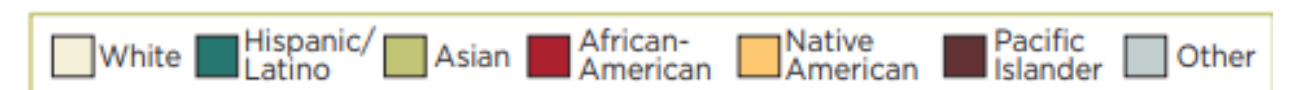

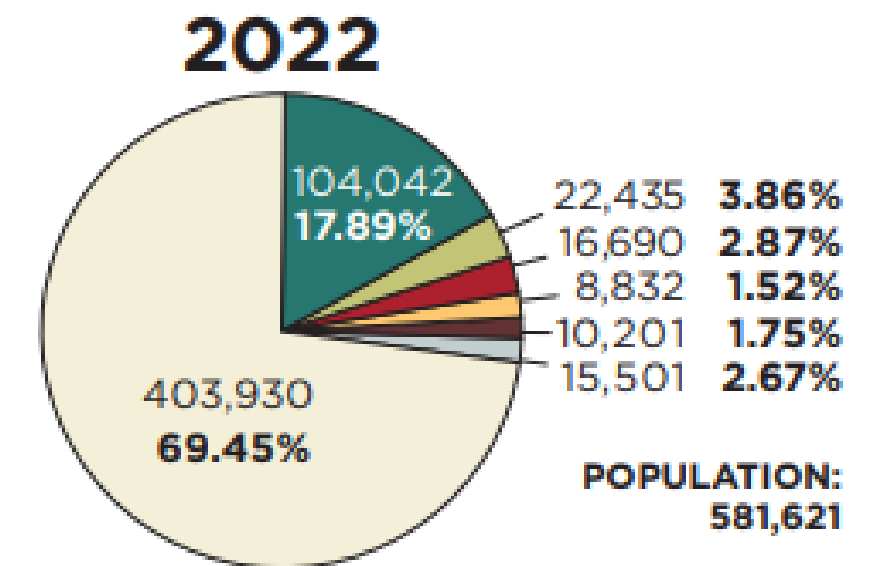

**Northwest Arkansas counties:** Washington, Benton, Carroll & Madison

Providing family wellness programs, health education and individual case management to navigate health care and community resources

**Priority populations:**

- LatinX
- Marshallese/ Pacific Islander

# To date:

UAMS Northwest began offering vaccines starting April 1, 2021

- ✓ 11,616 doses administered
- ✓ Hosted and/or supported 80+ pop-up vaccination clinics
- ✓ Maintained our Annex location as permanent drive-thru for COVID-19 vaccines and testing

Click to add text

- How do we do this?
- What does it take for our clinics to happen?

# Vaccination site on-campus

# What we provide at our permanent drive-up location:

COVID-19 vaccines (primary series & boosters)

## **Pfizer**

- Pediatric (5-11 yrs)
- Teen (11-17 yrs)
- Adult (18+ yrs)

## **Moderna**

## **J&J**

FREE PCR COVID-19 Tests

# Annex Vaccination Site

Open Monday through Friday – 10 a.m.-5:30 p.m.  
Closed for lunch from 1-2 p.m.

## Typical Staffing:

- Site Lead
- 2 Registrars
- 3-4 Vaccinators
- 3 bilingual CHWs
- Pharmacist on-call
- Physician oversight

Appointments preferred but not required

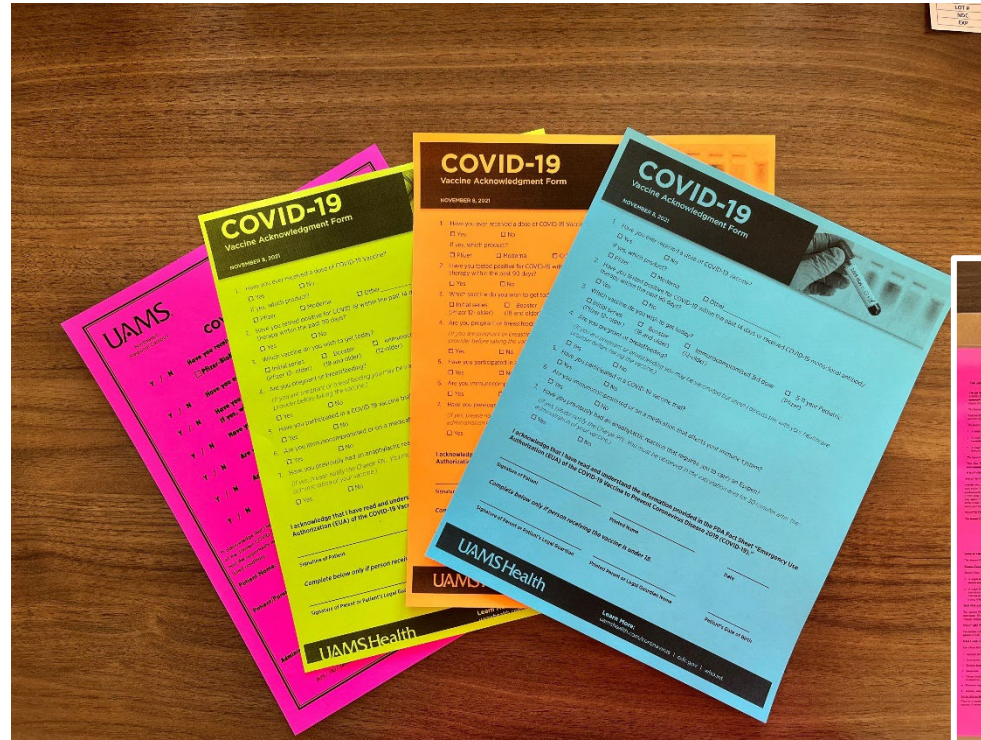

**Bilingual staff is always on hand**

Providing accessible and  
quality care is our focus.

# Efficient Vaccine Management

Consents

Color-coding is key!

EUAs

Coolers

Every element related to that vaccine manufacturer is **color coded** (even the syringes!)

# Mobile Pop-up Events

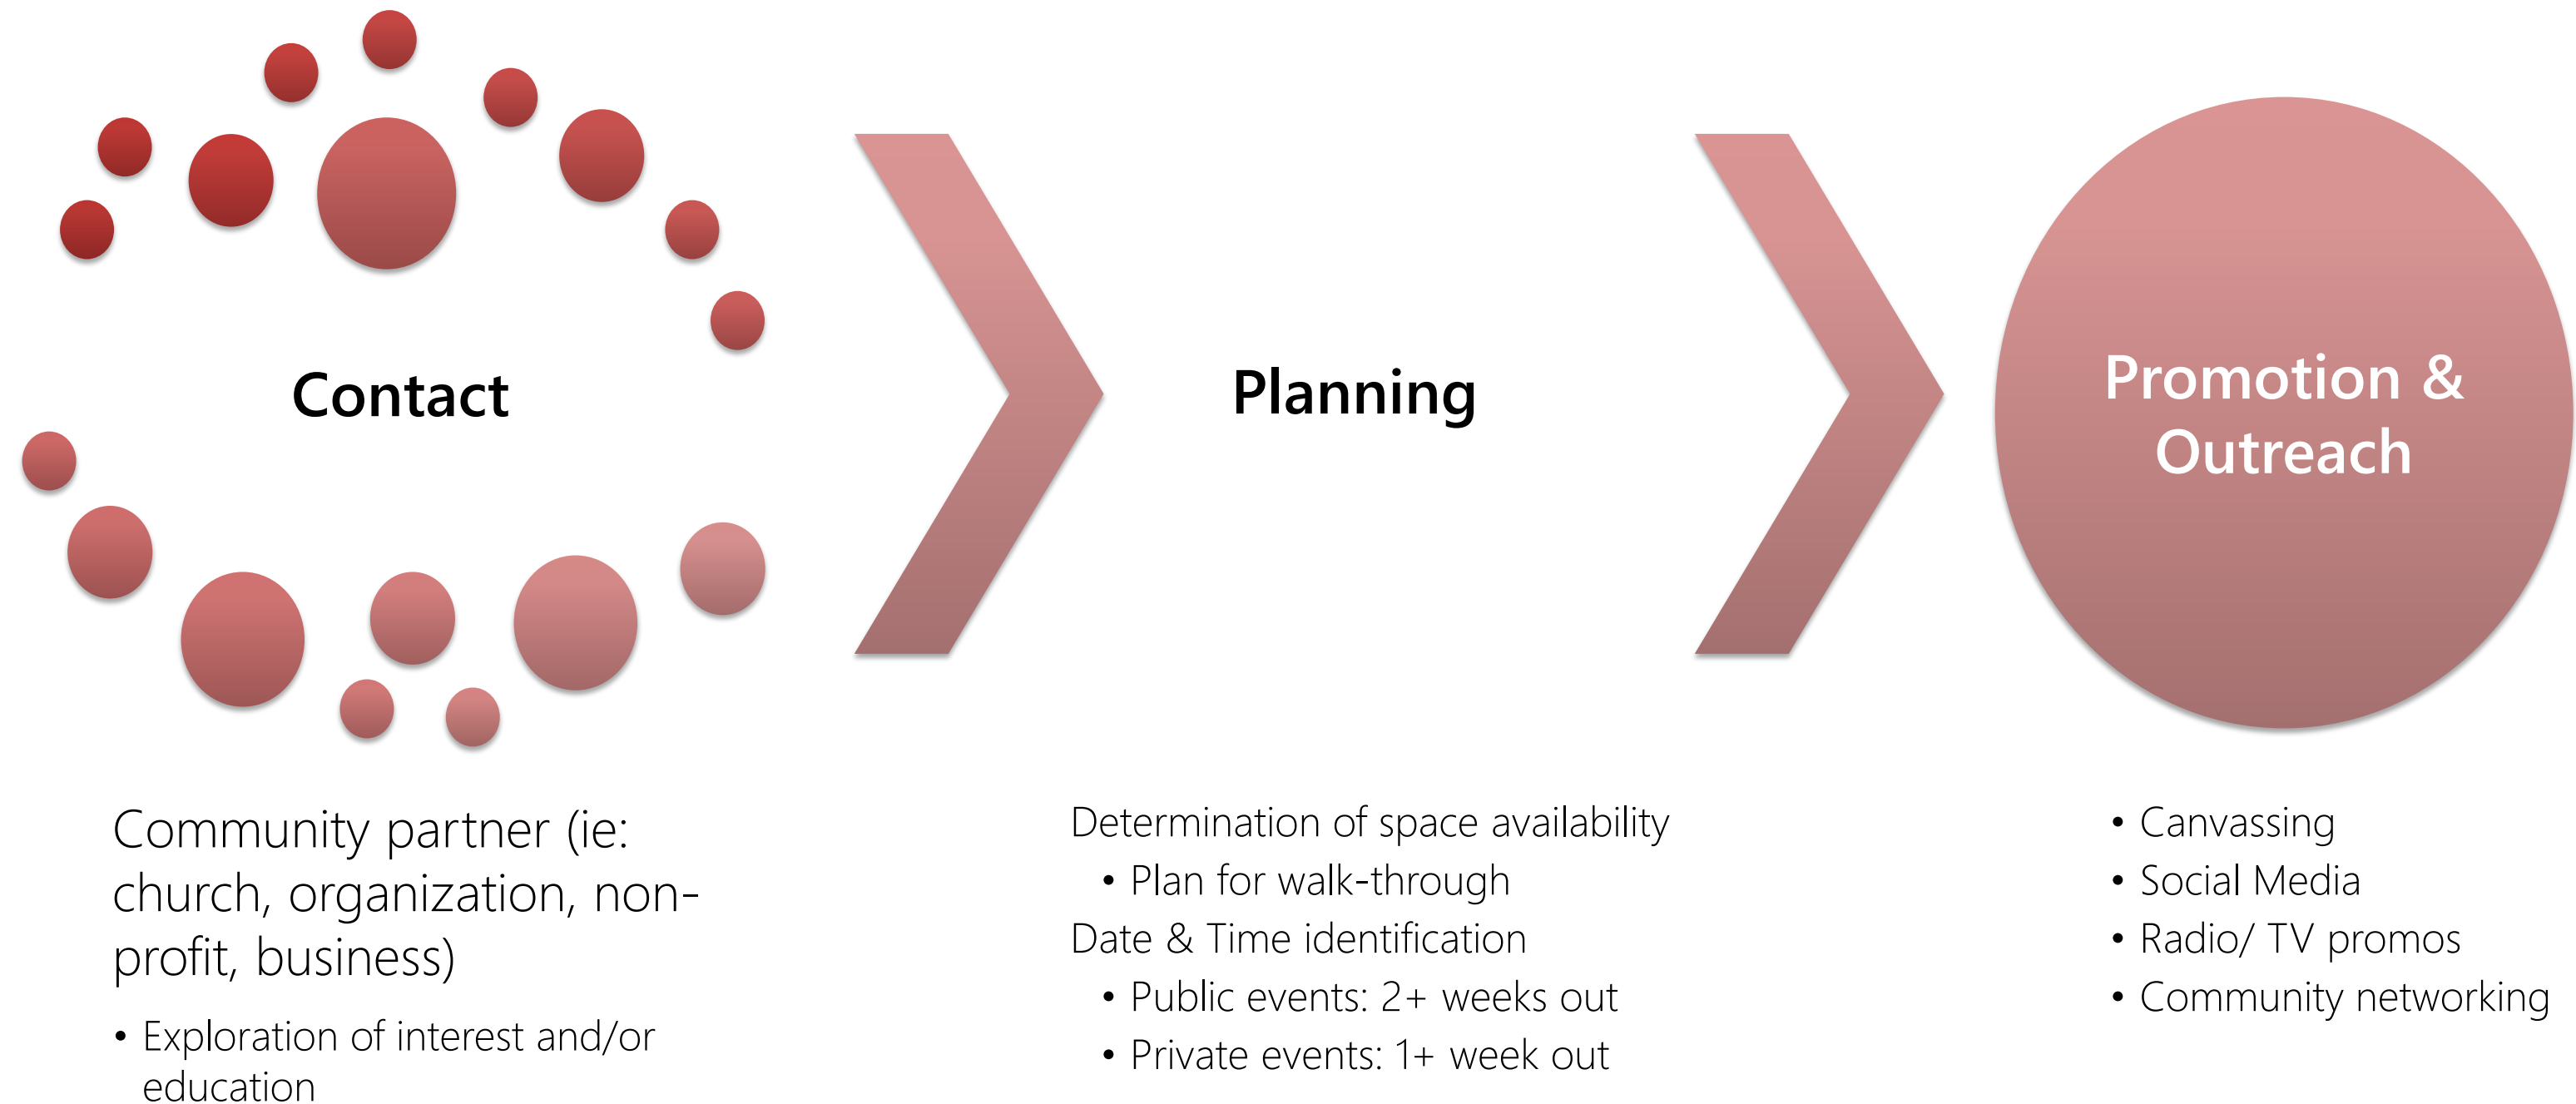

# What we provide at mobile clinics:

Pfizer COVID-19 vaccines for  
ages 12+

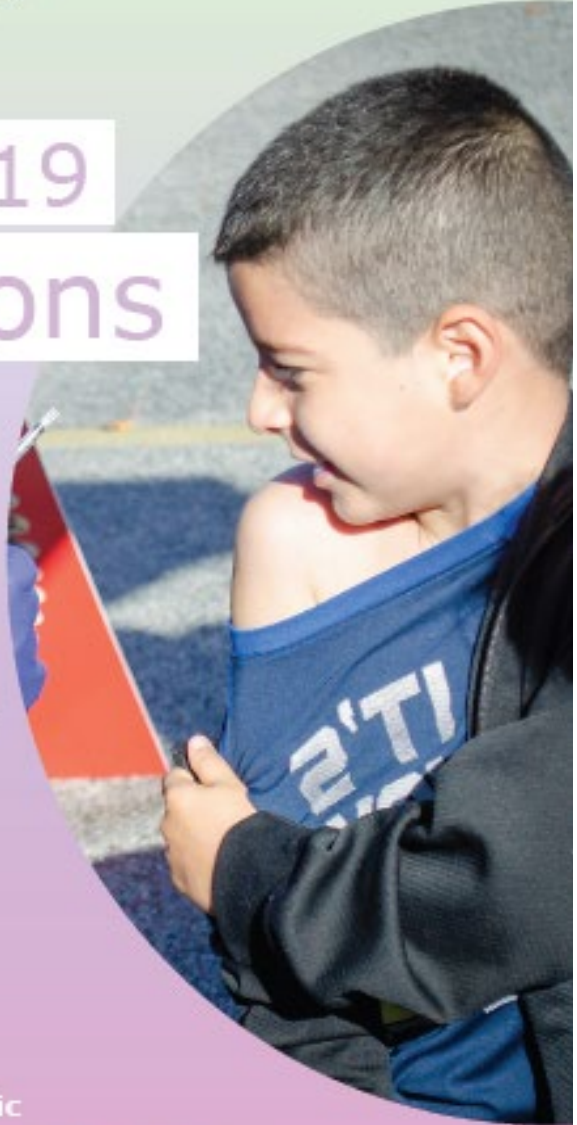

FREE Flu vaccines (as of  
November 2021)

# Event Planning Flow

**Community Canvassing** allows for direct focus of the surrounding community to a vaccine event location, working outward in widening areas as time allows.

## Free Covid-19 Vaccinations

for ages 5 and older!

*Children under 18 must be accompanied by a parent or legal guardian.*

*You will **not** need to provide: Social Security number, proof of citizenship or legal status, or insurance.*

---

**Monday - Friday  
3 p.m. - 5:30 p.m.**

Outdoor

# Follow-Up

# What happens after an event

## Community Partner

Debrief with the host to allow for clear communication of:

- Formal Thank-you
- Final numbers
- Process Improvement
- Community feedback

Exploration of follow-up vaccination event in 3 weeks

## Vaccinated client

Clear availability of information regarding any follow-up doses, as needed:

- ✓ UAMS drive-thru flyer
- ✓ Local clinics that offer the vaccination
- ✓ Additional mobile events in the community

If a follow-up clinic is already scheduled, they can be directly scheduled for that date and time and receive reminders for their scheduled return.

Due to our success with outreach and mobile events, we are exploring expanding services statewide to underserved areas.

a better state of health  
for all.
